## Welcome

Hello and welcome to Efteling theme park! Step inside a world in which fairytales are brought to life. Where daredevils fly past dragons and ghosts on spectacular thrill rides. Enter a world that enchants everyone. Even in a fun theme park, you can learn about subjects like technology and physics. Just how do you stay in your seat when you're upside down on a rollercoaster? Why do people scream when they're on board? And what are the stories behind the rides and attractions? Challenge yourself and try to score as many points as possible.

### Handy hints:

- ★ Download the free Efteling-app and check the show times, queuing times and Efteling map.
- ★ Don't want to carry coats and bags all day long? You can leave them at the cloakroom, which is located at the entry next to the pushchair rental.
- ★ Feel free to bring your picnic into the park, there are picnic areas all around.
- ★ There are numerous Wi-Fi spots throughout the park, at each restaurant and snack location. To connect, select 'Efteling-Guest', no password needed.
- ★ Need more cash? You'll find two ATM's in a giant vault and treasure chest in the park.
- ★ Hungry? There are plenty of catering outlets and restaurants throughout the park. Why not try a typical Dutch speciality, like 'poffertjes' or a Dutch pancake at 'Polles Keuken'? Or take a snack from the self-service wall at 'Station de Oost'.
- ★ You don't have to take the ride to answer the questions of this booklet. There is a 'chicken exit' through which you can leave the attraction. All answers to the questions can be found before the 'chicken exit'.

Enjoy your day!
